

**Describe a song that means something special to you**

You should say:

What this song is about

When you listened to this song for the first time

How often you listen to this song

And explain why it is special to you

**Sample 1**

I would like to talk about Vincent, which is a meaningful song to me.

This song is written by Don McLean, who is a famous song-writer and singer from USA. He wrote this song to remember Vincent Van Gogh, one of the greatest artists in history.

I first heard this song about two years ago when I was watching a movie about Van Gogh and this song is the theme song. I was instantly attracted to it and I looked it up online and I started listening to it nonstop for a whole week.

This song is very special to me for two reasons.

First, I really like the lyrics and melody of this song because I think it is very beautiful.

Second, I really like this song because my idol, Hu Ge likes the song as well and he actually posted this song online to share with his fans all over the world.

**Sample 2**

I would like to talk about Something Just Like This, which is a very special song to me.

This song is written and performed by Coldplay, which is a very famous rock band from UK.

From my understanding, this song is about a man who decided to do the best he can with his life and to love someone wholeheartedly.

I accidentally heard this song online when I was watching a video and I was instantly attracted to it. Therefore, I looked it up and I started listening to it nonstop for a whole week.

I think this song is very special to me because I could relate to this song very well because I think I was just like that guy in the song and this song encourages me to keep going and accomplish my dream day by day, and one day I might realize my goal and be someone great like a superhero.
